## WALKING TOUR

Waystours  
Italy with the locals

Meet the guide, your local insider for one day, and discover during a 2-hour walking tour the best that the city has to offer. Delve into the history and culture of the wonderful Turin. Your first stop will be Piazza San Carlo: discover the history and the so-called "drawing room" of the city and look at the equestrian monument of Emanuele Filiberto of Savoia. Continue your visit reaching the terrific Piazza Carignano and admire some of the most beautiful historical buildings, declared UNESCO World heritage since 1997.

Listen to stories and anecdotes about the baroque buildings around the square and admire the Palazzo Carignano, symbol of Italian Risorgimento. Discover the aristocratic and royal soul of the city and learn more about its past. Discover the story of the city during the monarchy, Savoia family, the Italian royals and the city's glorious past.

Turin has been the capital of Italy before Rome and many buildings and monuments testify the importance of the city. Later, after a relaxing stroll, you will arrive in Piazza Castello, the real heart of Turin, to learn more about the main monuments of the city, such as the Royal Palace, Palazzo Madama and San Lorenzo Church. Your guide will take you to a journey from the past to the present. You'll

learn why the city is so important nowadays and its industrial development thanks to FIAT, Italian automobile industry that is now part of the popular soul of the city. End your tour on a high note and see the magnificent Mole Antonelliana, the most renowned symbol of the city. After this tour you will definitely say that you know Turin a bit better than you did before...we are sure you will fall in love with this amazing city!

# ROYAL PALACE SKIP-THE-LINE TOUR

Meet your guide at the entrance of the palace and start exploring the halls and rooms where the Savoia, the Italian royal family used to live. Learn about the secrets and the legends around the royals and discover their golden treasure: a stunning palace celebrating luxury. Visit the amazing throne room, a brilliant example of the Italian baroque style. Gold and gemstones embellish the magnificent hall, symbol of the opulence of that period. Enter the royal office where the king signed his coronation documents, and many other fascinating and luxurious chambers, such as the ballroom or the apartments. Finally, end your visit with the baroque Chapel of the Holy Shroud, which was built exactly to preserve the Holy Shroud. Even though you will not find it there anymore, because a big fire threatened to destroy it, this is definitely a place worth visiting.

# TURIN FOOD & WINE WALKING TOUR

What better way of discovering Turin than exploring the local food and wine culture that makes the city so unique! Join this 3-hour private tour and learn about the culinary tradition of Turin and its surroundings. You will start to appreciate the two souls of the city: the aristocratic (not to say royal), with its elegant and historical coffee and chocolate shops, and the most popular, developed in the first decades of the 20th century with the foundation of the FIAT Automobile factory. Explore Porta Palazzo Market, the biggest market in Europe, walking around its narrow lanes and many booths where you can find a huge variety of locally-sourced vegetables, meat, fish and cheese. End your tour in a historical wine shop where you will taste the great wines of the Piedmont region.

**Departure:** Everyday at 10:00 am  
**Group:** min 2 - max 10  
**Duration:** 3 hours
